

**KAADY CHEMICAL**

The Science of Cleaning®

# LIQUID MITT™

## CONCENTRATED FORMULA

### The best thing to have on hand.

Liquid Mitt is a highly concentrated, fast acting gentle cleaner that helps your automatic wash system safely and effectively remove soil and road grime from vehicle finishes. With Liquid Mitt you'll realize better results and have more satisfied customers ...right in the palm of your hand.

### The Chemistry is Right! NON-ACIDIC, NON-CAUSTIC, PHOSPHATE-FREE

Like all Kaady Chemicals, Liquid Mitt has been performance-proven in our own chain of conveyor car washes in the rainy Pacific Northwest: an ideal year-round 'test lab' that assures the reliability of every Kaady product you purchase.

### Recommended Uses:

- Prep guns or mop
- Soap Foamers
- Wash material lubrication

### ► MIXING & APPLICATION:

Contact Kaady Chemical for guidelines and dilution product information.
